

PIONEER RECORDS – RELEASE NEWS (for immediate release)

2008: Altea – Summer Skies

Style: Trance

Pioneer Records' fourth release, **Altea – Summer Skies**, featuring remixes by the notorious **Kenny Hayes**, **Kallisto** and **CloudChaser**, is set to be released early 2008. Accompanied by the sultry vocals and a range of mixes to fit into any dj's set, **Summer Skies** is a must for all!

The leading Original Mix in this package is perfect for fans of euphoric trance: traditional synths, sweeping pads and a breathtaking vocal performance courtesy of {vocalist name}. This mix will get your hands in the air *without you even knowing!!!*

Trance king **Kenny Hayes**, whose previous releases Ibiza Sky (Somatic Sense Recordings) and Daybreaker (Turbulence Records) have both received massive support from world renowned dj's such as **Armin Van Buuren** and **Above & Beyond**, supplies a delicious drive time incarnation of the original. With a lush bubbling bassline and soft pulses, Kenny's mix is sophisticated trance at its very best, building into a true floor filling finale, which Kenny has become infamous for.

Cloudchaser Mix instantly grabs the attention with a **Gabriel & Dresden** style guitar hook, alongside live percussion and a throbbing drum kick. This mix takes on a totally different angle, enticing the listener with its blend of acoustic sounds and electronica. Then there's the **Kallisto Mix**, which is possibly the toughest mix in the package, built purposely to fill that dance floor! The relentless beat and insane bassline finishes this release of in outstanding style.

Altea – Summer Skies is released in 2008 on **Pioneer Records** and will be available from Xpressbeats, Audio Jelly, Juno, Track It Down, iTunes, and all other good digital distribution sites.
